New Delhi-3, the 17th April 1948.

Subject:- Adjustment of expenditure incurred on temporary additional police and certain permanent police charges during the period 15th August 1947 to 31st March 1948.

Sir,

With reference to the correspondence resting with your telegram No.15893-N, dated the 13th March 1948 on the subject noted above, I am directed to say that the Government of India authorise the payment to the Provincial Government of a sum of Rs.61,000 under Demand No.36-Police on account of the cost of temporary additional police and certain permanent police charges in respect of the period 15th August 1947 to 31st March 1948

2. This amount has been calculated as follows:-

Agency Police	Rs. 37,700
Permanent Police charges.	Rs. 23,300

Total.	Rs.61,000
	---

3. There exists a budget provision of Rs.37,000. The excess of Rs.24,000 is to be met out of the savings under the sub-head 'A-Special Police Establishment' vide the attached copy of this Ministry's letter No. 54/48-Admn dated the 31st March 1948 addressed to the Accountant General, Central Revenues, New Delhi.

Copy of letter No.55/48-Admn, dated the 31st March 1948 from the Ministry of Home Affairs to the Accountant General, Central Revenues, New Delhi and copy to Inspector General of Police, Special Police Estt.

I am directed to convey the sanction of the Government of India in the Ministry of Home Affairs to the undermentioned reappropriations in Demand No.36-Police for the current financial year:

From head	Amount	To head	Amount
A Special Police Estt.	Rs.		Rs.
A. 1 pay of Officers	13,687	B.Lump sum charges paid to Provincial Grants.	2,66,651(b)
A.2 Pay of Establishment	56,964		
A.3 Allowances Honoraria etc.,	1,72,000		
A.5 Other charges	24,000		
Total.	2,66,651 (a)		

The reasons for the savings and excesses are given below:-

(a) Due to disturbed conditions prevailing in the country it was not possible for the executive staff to tour sufficiently. A number of gazetted and non-gazetted posts could not be filled up as the Provincial Police organizations could not spare the type of officers required by the Government of India.

(b) Due to the employment of additional police in the partition Provinces of the Punjab and Bengal, where the maintenance of peace and security was essential during the period 15th August 1947 to 31st March 1948, when due to the political and communal situatedion these parts of the ee country were subject to constant disturbances and the maintenance of adequate Police force was a dire necessity. Provision was made on a proportionate basis. It has not been possible to obtain in time full data from the Provincial Governments.

Sir,

Subject:- Adjustment of expenditure on temporary additional police and certain permanent p police charges for the period 15th August 1947 to 31st March 1948.

.....

With reference to the letter No.64/5/48-Admn. dated 17-4-48 from the Government of India, Ministry of Home Affairs, addressed to the Government of Madras and copy to this office, I have the honour to state that the original provision of Rs.29,500/- under "36 Police - Payment for additional expenditure on Police" for the period 15-8-47 to 31-3-48 was adjusted in this office account for March 1948 Preliminary. But as the Government of India letter referred to above, was received in this office, from the Government of Madras, only on 3-5-48 after the books of the Reserve Bank of India were closed for effecting monetary adjustments in the accounts of 1947-48, the additional amount of Rs.8,200/- could not be adjusted in the accounts of 1947-48. The amount after verification and necessary check will be adjusted in the accounts of the current year.

2. It is presumed that the sum of Rs.23,300/- relates to work done on account of "Registration of Foreigners Act". A sum of Rs.1,200/- originally provided under "29 Police - (Central) charges for checking passports" was a adjusted against the grant for the period from 15-8-47 to 31-3-48. No further adjustment could be made in the absence of information about the items of expenditure which the grant is intended to cover. If the Government so desire, the adjustments will be included in the accounts for 1947-48 on receipt of the particulars.

HOME DEPARTMENT

Budget 1947-48 - 29 Police Central Agency and Non-Agency Police, Fresh estimates prepared for 15th August '47 to 31st March '48

In thetelegram on p.7 c.f., the Government of India have asked for fresh estimates for the period from 15th August 1947 to 31st March 1948, in respect of Agency Police, and Non-agency Police'. The estimates furnished by the I.G. of Police through the A.G.Madras, are at pp 23-25 of (L).

2. Agency Police:- The estimates furnished by the I.G. are on p.23 of (L). The details of calculations are shown on pp. 1-21 of (L).. References to the India Government's letters in cases where they have already accepted liability for the cost of staff employed as well as to the letters of this Govt. in which the Government of India have been addressed for necessary consent, have been noted in the statement on pp 27-28 of (L) and it may accompany the estimates.

3. Non-Agency Police:- On page 25 of (L) the I.G. has furnished the total cost of 'law and order' staff employed in the province, district war etc., What is wanted by the Government of India is an estimate of the amount that is likely to be claimed from them as contribution towards 'law and order' police in this province. In their letter No.24/I/47-Police, dated 20th March 1947, the Government of India stated that the claims of the Provinces which intended to put forward a demand for assistance would be examined and decided in the light of information on certain factors like the increase in the Police force as compared with its prewar strength, the detailed reasons for such increase, etc., They informed this Government that if they wished to submit a claim for central contribution towards expenditure on 'law and order' during 1947-48 and after, information might be furnished to them on the points referred to in their letter. A copy of the letter was sent to the I.G. for preparing a statement showing the particulars on the items referred to in the Government of India. The particulars furnished by the I.G. were found defective in certain respects and he has therefore been asked to send a revised statement. The I.G. has reported that certain figures called for by him from certain D.S.P's are still awaited and that a reply will be sent to Government shortly. Only when the particulars are completed, it would be possible to prepare a claim for 1947-48 and forward it to the Government of India.

4. In this connection it may be noted that for the period for 1946-47, also the Government of India asked this Government to prepare a claim with reference to certain principles formulated by them. A claim was accordingly prepared for Rs.25.68 lakhs and sent to the Government of India but they reconsidered the matter and decided that their contribution for 1946-47 should be on the same basis as in 1945-46 (i.e) 10% of the increase after 31st March 1942 in the Police expenditure of the province, etc., Accordingly they have asked this Government to furnish a revised claim in the light of the above decision and I.G. of Police has been asked to prepare a revised claim of contribution for the period 1946-47. The I. G.'s reply is awaited.

5. In the circumstances, it is not possible to state at this stage what amount will be claimed by this Government as contribution for 1947-48. In the circumstances, the Government of India may be told that it is not possible to give an estimate of the contribution for the 'non-agency' police, for 1947-48, that may be preferred by this Government separately in due course.

From the A.G., Madras, No.Budget 25-1-49/47-8 dated 6-11-47.
From the Government of India, Telegram No.48/4/47 A and G dated 12-11-1947.
From the I.G. of Police, P.G. of T.M., dated 13-11-1947.

In their telegram at p.45 c.f., the Government of India have asked for the following estimates, about the "Agency Police"--(1) Actuals for 1946-47, (2) revised Estimate for the period from 15-8-1947 to 31-3-1948 and (3) Budget Estimate for 1948-49.

2. The actuals of expenditure for 1946-47 have been prepared by the Inspector-General and checked by the Accountant General, Madras -please see the statement at p.p3-6 c.f. and the Accountant-General's letter at pp.1-2 c.f. in Linked File-II. The statement was not forwarded to the Government of India pending the receipt of a further report from the Accountant-General regarding certain discrepancies as to the actuals in Item I-V-C.I.D-Jails censoring staff'. The Accountant-General's Further report has not yet been received. As the Government of India have asked for the actuals, the statement together with a copy of the Accountant-General's letter may be forwarded to them now.

3. A revised estimate both for Agency and non-Agency Police, for the period from 15th August, 1947 to 31-3-1948 was prepared with reference to an earlier communication from the Government of India and was forwarded in this Government's letter at p.53 c.f. The Government of India may be referred to the details of the estimates forwarded in that letter. In respect of the period from 1-4-1947 to 14-8-47, the Government of India have not asked for the estimtes but in their U.O.Note at p.67 c.f., Finance have suggested that separate estimates for the periods from 1-4-47 to 14-8-1947 and from 15-8-47 to 31-3-48 should be prepard and sent to the Government of India. With reference to this, the Accountant General has intimated the actuals for the period in question. In Linked File 1, the Accountant-General has referred to the adjustments that have been made in the accounts for 1947-48 for the amounts recoverable from the Government of India on account of various categories of war-time additional police for the period ending 14-8-47. He has suggested that necessary provision in respect of these recoveries may be made in the revised estimates (Provincial) for 1947-48. (A copy of the letter is being communicated separately to the Inspector-General of Police for necessary action). As the cost of staff up to 14-8-47 has already been adjusted by the A.G.

cont.

there is no necessity to prepare any fresh R.E. for the period upto 14-8-47. The actuals for the period may be reported to the Government of India. A copy of the Accountant General's letter in ref to together with its enclosure, may be forwarded to the Government of India for information along with the revised estimates for the period from 15-8-47 to 31-3-48.

4. The Budget Estimates for 1948-49 furnished by the Inspector General of Police through the Accountant-General are at p.p.69.70 c.f. The estimates may be forwarded.

5. A draft letter to the Government of India is submitted for approval. Finance may see before issue.

Finance (B.G)

The draft letter to the Government of India may be perused.

2. Actuals for the period from 1-4-1947 to 14-8-1947- Rs.74,086 (item(2) in the statement on p.3 of the draft).

This figure relates to Agency and to certain non- Agency police also. The actuals for the Agency police alone work out to Rs. 36,804-14-0. The Home Department may be requested to adopt this figure instead of Rs.74,086.

3. Para 3 of Home department's note on p.3 above: The Home Department state that the estimates both for Agency and non- Agency police have already been forwarded to the Government of India. The estimates in respect of 'Non- Agency police' detailed on page 25 of (L) do not seem to have so far been forwarded to the Government of India. If estimates are not sent to the Government of India in time the payment from the Government of India may not be received in March 1948.

4. The estimates now proposed to be forwarded to the Government of India exclude items IV to VIII--"other staff" detailed on p.23 of (L). It is presumed that these items relate to non- Agency police.

5. The Home department may be requested to send at a very early date to the Government of India clear and complete estimates for all items for which they have to make payment to the Madras Government.

Please see the Finance Department's note above. Para 2 of the Finance note.

The suggestion may be accepted. The figure has since been altered in statement I accompanying the draft letter up-to put up.

Para 3 of Finance Department's note: Non Agency Police:

please see para 3 of this Department's note on p.p.1-2 above and para 2 of the letter to the Government of India on p.53 c.f. They have already been informed that the claim for the central contribution towards non agency police is under preparation and that it will be forwarded to the

the Government of India separately. They have also been informed that it is not possible to give an estimate now of the claim that is likely to be preferred on that account. No action is called for on this point now.

Para 4 of Finance Department's note: Other Staff:- The other staff referred to on p.23 of 'L' are not "agency police" but only additional war police, the cost of which is met by the Government of India, in full. The staff will not come under the description, Law and Order police which is generally referred to as non-Agency police in respect of which the Government of India pay only a contribution. It may perhaps be made clear in the draft letter to the Government of India that besides the Agency police referred to there are other items of additional police, the cost of which is met by the Government of India and in respect of which provision will therefore have to be made. The revised estimate for the period from 15-8-47 to 31-3-48 in respect 'other staff' has already been forwarded to the Government of India. The Budget Estimate for 1948-49 in respect of this staff has not been forwarded by the Inspector-General but estimates can be prepared for 12 months proportionately on the presumption that all the staff will be continued during 1948-49. A para has been added to the draft letter to the Government of India already put up and is for approval.

With reference to the Government of India's letters on page 88 c.f. and on pp.100-101 ibid the following remarks are called for :-

(a) Budget Estimate for 1948-49. The final figures for the Budget Estimate for 1948-9 communicated to the Government of India in letter Reference No. 71511 K/47 -15 Home, dated 8-3-48 were as follows:

(i) Cost of Quarantine Police

(a) Vizagapatam Harbour	Rs.6,600/-
(b) Madras Harbour	Rs.8,000/-

(iii) Charges for checking passports Rs.20,300/-

Against this the Government of India have made a provision of Rs.5,200/- under item (i) (a) Rs.8,000/- under item (i)(b) and Rs.19,900/- under item (iii) repsectively in accordance with the provisional estimate forwarded by this Department in November 1947. A sum of Rs. 1,400/- and Rs.400/- have still to be provided by the Government of India against items (i)(a) and item (iii) respectively for 1948-49. As the final figures of the estimates for 1948-49 were furnished to the Government of India late(in March 1948), India will presumably provide for the additional amounts in due course. It does not seem necessary to ask India about this now. Finance may advise.

(iii) Charges for checking Passports.	Rs.14,700/-
Total.	Rs.23,300/-

The Government of India have stated that these figures were furnished by the Provincial Government as revised estimates The above figures were reported to the Government of India only provisionally and the Revised Estimate for the period from 15-8-47 to 31-3-48 as finally reported to the Government of India in March 1948 were as follows:

(i) Cost of Quarantine Police.

Vizagapatam Harbour	Rs.4,200/-
Madras Harbour	Rs.5,000/-
(iii) Charges for checking of Passports.	Rs.12,600/-
Total.	Rs. 21,800/-

It will be seen that the Government of India have provided for an excess amount of Rs.1,500/- under the above heads for the period from 15-8-47 to 31-3-48. As the financial year 1947-48 is now over the Accountant General will no doubt adjust the actual expenditure incurred against the Central Government's accounts. It does not appear necessary to take any action now. Finance may see for remarks.

The file deals with the central Budget estimates for 1948-9 and Revised fer Estimate for 1947-48 relating to the 'Agency Police' . The estimates were forwarded in the letter on page 76 c.f. This Government had asked the Government of India to provided in their Budget Estimate for 1948-49, ~~XXXXXXXX~~ a sum of Rs. 69,571/- under 'Agency police' but the Government of India provided only a sum of Rs.64,900 under this item.
